POISON CONSPIRACY AIM-
ED AT CHILDREN

Chewing Gum Sprinkled With
Strychnine Dropped in
Yards

Fulton, Mo., Aug. 6.—What county authorities believe to be a plot for the wholesale poisoning of children has been unearthed at Concord, in Calloway county, and as a result, two men and a woman were arrested there today by order of the prosecuting attorney and brought to Fulton to be arraigned. The persons arrested are Lee Boyd, a farmer, his wife, Mrs. Anna Boyd, and Jefferson Woods a horse dealer.

The children whose lives were endangered belonged to families whose members testified in a slander suit recently brought by Mrs. Boyd against Dr. W. B. Ellis, a physician of Concord.

Mrs. Boyd asks fifteen thousand dollars damages, alleging that Dr. Ellis has defamed her character.

The jury brought in a verdict for the defendant.

The first alleged attempt on the lives of the children was made several weeks ago, when a package of chewing gum was found in the yard of Edward McPheeters, a nephew of Judge Robert McPheeters of Fulton. Less than a week ago, another package of gum was found near the gate of the McPheeters' home. It was found to have been sprinkled with strychnine.

Twice since then packages of gum have been found to contain strychnine.

Packages of gum on the premises in the vicinity of Concord has become frequent the last few days.

All the gum which has been found has been preserved and will be examined.

All of the families on whose premises gum has been placed have small children.

Tonight, bond was fixed at one thousand dollars for Mrs. Boyd and \$2,000 each for Boyd and Woods. All gave bail. No preliminary hearing will be held and the case will be docketed for the September term of court.

Call and See us Before Buying

Our good old friend G. A. Barnhart was in Monday with samples of his peach and grape crop and they were good. Brother Barnhart is a fruit grower and has proved that this country will grow as good fruit as any country.

A news item from Abbeville, La., tells about ants as a destructive enemy of bull weevils. That scheme was tried in South Texas and failed after a lot of exporters had pulled the public's leg for a good big sum.

Are You Nervous?

What makes you nervous? It is the weakness of your womanly constitution, which cannot stand the strain of the hard work you do. As a result, you break down, and ruin your entire nervous system. Don't keep this up! Take Cardui, the woman's tonic. Cardui is made from purely vegetable ingredients. It acts gently on the womanly organs, and helps them to do their proper work. It relieves pain and restores health, in a natural manner, by going to the source of the trouble and building up the bodily strength.

TAKE CARDUI The Woman's Tonic

Mrs. Grace Fortner, of Man, W. Va., took Cardui. This is what she says about it: "I was so weak and nervous, I could not bear to have anyone near me. I had fainting spells, and I lost flesh every day. The first dose of Cardui helped me. Now, I am entirely cured of the fainting spells, and I cannot say enough for Cardui, for I know it saved my life." It is the best tonic for women.

Do you suffer from any of the pains peculiar to women? Take Cardui. It will help you. Ask your druggist.
